AMMAN, April 28—Inhabitants of Al Taybeh, Sirhan Bishara Sirhan's birthplace, have sent a telegram to King Hussien of Jordan appealing to him to help save the life of Sirhan, facing a death sentence for the murder of Sen. Robert F. Kennedy.

People in the village, on the West Bank of Jordan, said in their telegram published here today that Sirhan "has done his best to serve the Arab cause and turn his trial into a trial of Zionism."
